FANTASIES . . .
IN AND OF THEMSELVES,
HAVE BECOME AN ESSENTIAL PART OF OUR LIVES.

LORD DUNSANY

Studying and going to classes are only part of attending Agua Fria. The students who find their high school experience most memorable are those who participate in the activities which are offered outside the classroom.

Although there are many, the most remembered and enjoyed of these activities are accumulated and shared within the course of five days, concluding with the event we call Homecoming.

LORD DUNSANY

Homecoming is the annual event at Agua Fria which produces the most participation. During this time almost every student shares a part of himself in some way, allowing his school spirit to shine through.

An accumulation of our sharing can be seen on Homecoming night. On this night Agua Fria proudly displays it's colors, spirit and pride. Announcing to all who look upon us that Agua Fria is indeed excellent.

Jon Fernow

Yesterday began a fantasy,
A journey to the ventured
And a future to obtain.
For many, it seemed
A goal conquerable,
But a challenge not
To be passed by.
So onward through
The blindness they struggled
And emerged wiser, stronger,
And thankful.
For the experiences of yesterday
Have prepared them to accept
Today and never fear the
Fantasies of tomorrow.
Kathy Loraine

I, Jon Raleigh, bequeath the ashes of my taxbook to Mrs. Naehrbass.

I, Calvin Brown, bequeath Cloyce Lamb's jaws to his brother, Rodney — take care of 'em.

I, Tom Brittain, bequeath to the junior class, the will to grow up.

I, Christina Morales, bequeath to my brothers, Robert and Manuel, all my love and a fun, exciting high school life!

I, Cathy Humphrey, bequeath to Kris Barnes, a case of Diet Coke.

I, Willie Cordova, bequeath to Henning Rogge, a year supply of Twinkie's and a case of Wintergreen lifesavers.

I, Erin Leach, bequeath to Mr. Arle, the knowledge that fruit flies don't grow on trees.

We, Julie and Jon, bequeath to Jay Fernow, all the fond memories of our high school years. We hope you enjoy them as much as we have!

I, Pamela Jones, bequeath to all the underclassmen nothing; because nothing from nothing leaves nothing.

I, John McKinnon, bequeath to Mr. Arle, my herd of wild macaroni to replace the herd he has hunted to near extinction.

I, Wendy Edwards, bequeath to Timm Rogers, a bottle of white shoe polish, and four extra lines in every school play he is in.

I, Barbara Allen, bequeath my height to Jackie Kennedy, and my common sense to La Lisa George.

I, Tony Juarez, bequeath to any senior on the 5 year plan, all of my notes.

I, Kathy Loraine, bequeath to Timm Rogers and Jon Munoz, 99 T.F. balloons, and to Christiana Pace, Matt Meese and make up (use them both sparingly).

I, Olga Gonzalez, bequeath to my brothers, Dominic, Emeric, and Eric my love, and may they enjoy high school.

I, Diane Sanchez, bequeath to the 84/85 fourth year Spanish class permission to take over where Rachel Perez and I left off with Mrs. Solorzano.

Drama Club

Agua Fria's Drama club is for a group of theatrically interested students who participate in drama not only from being a member, but learning more about drama through classes, attending plays, being in plays, and fostering others. This year's club has increased in size from last year. Mr. Judge, the drama department sponsor states, "Drama students who have been to other high school productions now see the necessity of strong, firm, discipline in the theatre arts." In the future Mr. Judge would like to expand three major productions per year, along with an annual musical. This will take time along with the support of the administration, teachers, staff, students and the community.

A couple of goals the club has in mind are to paint a new mural for the cafeteria, and to establish a small art scholarship. The club is in charge of the school art shows and the members print posters and silk screens for the community. The club has several field trips throughout the year to see art shows and other exhibits and they participate in some workshops and at the county fair. Mr. Clark has spring shows planned to display student artwork and close out the year.

"OH WE FEEL SO GOOD"

The Agua Fria Varsity Football team had a split season with a 5-5 record. The season started out at a slow pace, but as "OH WE FEEL SO GOOD" was heard through the Agua Fria crowd, and the tremendous spirit prompted the team to victory!

As Coach Wheatley so rightly put it, "The players refused to give up". They started off with a big fight against Trevor Brown, giving them their first and only loss of the season.

Awards were given to several team members. The team itself was named the second best in the Metro Division. Senior Nacho Cano was 1st Team All League, (Defensive Tackle), also Senior Kevin Daniels was 1st Team All League, (Defensive Back). 2nd Team All League consisted of Senior Cloyce Lamb and John Johnson. Honorable Mention were Ruben Gutierrez, Dave Belford, and Scott Muse. Congratulations Guys.

This year's Varsity Cheer line consisted of two seniors, three juniors, and wo sophomores, which supported the Football and basketball teams. "It is not s easy as it looks," says junior Michelle Barker. It is not only done vocally but hysically as well. The captain of the squad is Senior Lisa Martinez. The heer line made it worth while when going to the pep assemblies. During the ummer the ladies went to cheer camp and competed against other schools and id very well. The Owls started the season out with very high hopes. Only losing one starter from last season. However knee injuries kept players Carie Rice and Debbie Rickel out for most the season. The teams record was 4 wins and 12 losses. Senior Angie Mora had a great hitting season, and fielder Michelle Quittschrieber showed great ability. Mr. Grey says "next year we will have young players that have a lot of experience."

Shelley strikes again.

Nothing is going past me.

J. V. SOFTBALL

It's another homerun for Julie.

The J.V. softball team had a large turn out of freshman which made up the majority of the team. These freshman added strong pitching and a tough infield to the team, which finished second in the league. The season started out slowly, losing two of the first three games. Yet the Owls came back to win nine games in a row. The team came through the season with a super attitude and great enthusiasm. "They were a great group of girls to work with." said Coach Stephens.

The 1983-84 Owl J.V.'s enjoyed a winning season with an overall record of while continuing to improve individually and as a team.

Fundamentals and team play were the top priorities. Several members of the J.V. will be candidates for the Varsity squad next year.

FRESHMEN BASKETBALL

Owls get up in the air.

The Freshmen had a winning season with only one loss. Most of the season, the Freshmen's home court was being remodeled, so with three basketball teams practicing with only one court, freshman did not get a lot of practice in. But it did not effect them at all. The freshman have a lot of height which will be a help to A.F. in future years.

#50 sinks the shot.

Sophomores

This year's sophomore class shows pride and enthusiasm moving from the North to the South campus. No longer "baby owls," the class of 86 shows a great amount of school spirit and participation in various school activities. Winning 1st place in the Billy Moore parade float competition, boosted their spirit even higher. Are they looking forward to next year's homecoming as well as raising money for the Jr./Sr. prom? Sophomores give a definite yes! So, it can be said, the class of 86 kicks!

As you can see, the faculty and staff are not the same people that were on the previous pages. They too have a different side to show. They range from teachers to teacher, teachers to clowns, teachers to parents and many other kinds of people. We at the yearbook tried not to expose the staff and faculty too much. We wouldn't want your parents too ask that dreaded question — "Are these the kind of people that teach you???"

". . . no it was your turn to take the garbage out . . .!"

"Do you suppose that he will start seeing things upside-down???"

Agua Fria Receives National Honor

In 1983, U.S. Secretary of Education Terrence H. Bell initiated a project to accord special recognition to exemplary secondary schools. The project, entitled Secondary School Recognition Program, was undertaken in cooperation with the chief state school officers, in 42 states and the District of Columbia, who elected to participate.

As their search began in January for unusually effective secondary schools, Dr. T. H. Bell announced that they would be looking for schools that were providing quality education for all of their students and who were working hard to overcome obstacles, as well as maintain already high educational standards. They would also be looking for schools that could serve as models of improvement and sources of encouragement for other schools. The criteria used in judging the schools also included their performance on standard achievement and minimum competency tests, low dropout and high daily attendance.

Agua Fria made an application, along with more than 70 other Arizona schools. Our school was one of three Arizona schools selected by a 62-member Task Force to advance to the national competition. Following this selection, a regional representative of the U.S. Department of Education spent the day on our campus and then submitted a written recommendation to the Department of Education.

The recommendation was most complimentary of the Agua Fria student body, staff, and program. The on-site evaluation report stated that one of the district's most distinguishing features was the unqualified public support the school received from all communities it serves.

In July of 1983, Secretary of Education, Dr. T. H. Bell, notified Mr. Harold Porter, Superintendent, that Agua Fria was one of 79 high schools selected throughout the nation to receive the 1982-83 Secondary School Recognition Award of Excellence.

On September 28, 1983, Mr. Porter; Mr. Wood, School Board representative; and Mr. Given, Principal, were invited to the White House to participate in a ceremony honoring the selected schools. President Reagan spoke to the school officials and Secretary of Education Bell presented the Award of Excellence flag to Mr. Given.

Fria representatives proudly accept the award.

WE DID IT ALL FOR YOU

The 1983-84 Wickiup staff worked endlessly at trying to compose a Wickiup unlike any other. We started by adding an extended endsheet more color and photos, better illustrations, less copy and an index. Plus, we used a theme that we felt would apply to everyone . . . Fantasy.

There were many times when the staffers would take our theme too seriously. Our minds along with our feet would wander, most commonly to the snackbar or cafe. Yet we would never completely set our work aside. Quickly we would return, putting our hands and minds to work.

The outcome of our diligent labor can be seen and judged by you. We only hope you won't be too critical of our mistakes. We humbly apologize for any errors. Once you have overlooked them, we hope you enjoy "Fantasies 1984" as much as we hoped you would.

DEDICATION

Deciding who to dedicate this yearbook to was quite a tough decision, since it is always presented to a prestigious member of the staff or administration, because of his or her dedication to Agua Fria.

After many hours of serious contemplation we came upon a decision. We realized that each year the most dedicated, loyal and active members of our school are overlooked. These people when joined together form the Senior class.

The Senior class continuously leads the student body through various activities with unending pride and enthusiasm. Never ceasing, onward they move revitalizing the school, staff, students and themselves determined to make their last year the best.

Thank you Seniors '84. It is because of your contributions that we, the Wickiup staff 1983-84, dedicate this book, "Fantasies 1984," and the best of wishes to you.

Letter jackets and sweaters worn by many Seniors color our school.

A FOREIGN AFFAIR

Agua Fria is fortunate to be the sister school of Theodor Huess Gymnasium in Gottingen West Germany. This year five students from Germany and one from Denmark attended our school. Another student, Julia Kues not pictured, was also from Germany.

The reason for the exchange program is to allow the students to experience a different educational and social culture. The students live in volunteer homes. Yet, provide for all of their expenses.

One thing that all the students have in common is they all want to see as much of the U.S. as possible. One site they long to see is the Grand Canyon.

One fantasy that has come true for Agua Fria is, it has become not only a nationally recognized school but also a world renowned school!
